Our Loc Extension Services

Starter Locs with Extensions

Human hair extensions attached using braiding technique. Grows naturally with your own hair for authentic traditional locs.

Loc Repair & Extension

Restore damaged or thinning locs. We reattach existing locs or add extensions to strengthen and rebuild length.

100% Human Hair

We use only natural kinky human hair that blends seamlessly with your own hair for a completely natural look.

Our Easy & Seamless Process

Three simple steps to your perfect locs

01

Consultation

Our expert locticians discuss your loc extension goals, assess your hair health, and recommend the perfect approach tailored to you.

02

Preparation

Come as you are! We thoroughly clean and prepare your locs, ensuring your hair is in the best condition for extensions.

03

Extension Attachment

Using the most suitable technique — reattachment, new human hair, or creating new locs — we ensure long-lasting, natural results.
